TENNESSEE
COMMUNITY ORAL HEALTH

The University of Tennessee, Memphis, College of Dentistry invites applications for an entry-level, full-time position in the Division of Community Oral Health, Department of Pediatric Dentistry and Community Oral Health. This division is responsible for instruction in the areas of public health dentistry, practice managment, and the behavioral sciences. The successful candidate will be involved in didactic instruction for predoctoral students, independent and/or collaborative research, and service activities. Specific teaching responsibilities will be established in accordance with the successful candidate's training and experience and the college's instructional needs. Applicants must possess a DDS/DMD or DH degree, and must be eligible for licensure/registration in Tennessee. Applicants also must possess a master's degree in public health or health care administration or must have substantial experience in managing a dental practice. Send a letter of interest and a current curriculum vitae to Dr. W. Thomas Fields, Professor and Director, Division of Community Oral Health, Department of Pediatric Dentistry and Community Oral Health, 875 Union Avenue, Memphis, TN 38163.
